

Christchurch Village Newsletter

June 2012

Welcome to the June edition of The Heron, and a bumper edition it is too ! Plenty of news and information we feel is important to the residents of Christchurch and local parishes. The team endeavours to maintain impartiality when bringing you the latest news and comments from local residents.

Last month saw us hold our 9th AGM on the 9th May, committee members consisting of Paul Warren, Editor, Pat Mills, co-Editor, Vanessa Murray, Secretary & Jill Bliss, Treasurer. The committee welcomed Paul as the new Editor and were all in agreement that Pat Mills would become Chairperson, with committee secretary and treasurer remaining in their current positions for the next year.

Committee members would like to express sincere thanks to The Herons loyal distributors to whom the success of the newsletter strongly relies, and also all those that have donated much needed funds over the past year. As you may already know, the newsletter is solely dependant on the generosity of donations, fund raising and advertisements, of which we would like to thank all our customers over the past 12 months for their support, and we would therefore be extremely grateful for any donation, large or small, from local individuals, clubs & societies, or ideas for fund raising events over the coming year.

The committee would also like to thank Steve of March Stationery & Print, who again this year has succeeded in maintaining our deadlines, and delivering the prints to Pat since she ceased driving her car.

The committee would like to thank all its readers and look forward to bringing you The Heron over the next 12 months.

Paul Warren
Editor

It has been brought to the teams attention that our area is again being targeted by the 'bogus Microsoft engineer' telephone scam. Where you will receive a call from an individual claiming to be from Microsoft and that your PC has been reporting to them it has a virus. This is a known fraudulent exercise, previously published in national newspapers, where the caller will attempt to gain access to your computer or obtain credit card details. Please, under no circumstances give any information over the telephone if you receive a similar call to this, instead end the call straight away.

CHRISTCHURCH COMMUNITY CAR SCHEME

We would like to welcome Yvonne as a new voluntary driver.

Anyone wishing to book a car should ring Wendy on 01354 638448 or William on 01354 638758.

We would like to remind anyone wishing to book a journey that we need at least 24 hours notice of any trips you might wish to make.

Women targeted by gang

TWO elderly women were targeted in a distraction burglary in Welney last week when four men posed as policemen.

The men entered the home of the women between 2-3.30pm last Sunday after claiming to be police officers investigating a burglary.

The women, who were both in their 60s and 70s, live in a property in Lakes End, in the village. Two of the men stayed and questioned the women while the other two went upstairs and searched the house. It is not believed that anything was stolen.

DC Steve Matthews, Operation RADAR, said: "This was a cynical claim by the offenders to con their way in to the victims' home. We would ask other residents to be vigilant and always ask for identification from any unexpected callers, even if they claim to be police officers". "You do not have to let anyone in if you are not comfortable with who they claim to be. Police officers will always be happy for you to check their authenticity or make a future appointment."

Lin Mathews, Information and Advice Assistant Manager at Age UK Norfolk said: "People who call at your home may well be genuine. However, it is a good idea to take precautions when answering the door to people you don't know." She added: "If you are not expecting a visitor Age UK Norfolk would advise you to take the following steps...

"Always lock the back door if you are answering the front door"

"Look through a window or spy-hole to see who is outside before answering."

"Ask to see identification or a proof of their identity and examine it carefully."

"Remember, you do not have to let any stranger into your home. If you are suspicious or the caller will not leave, dial 999 and ask for the police."

Three of the offenders were white and aged between 25 and 35. The fourth man is described as having a tanned complexion and aged between 35 and 40. The men may be linked to a dark blue or black Audi A6.

Officers from the Operation RADAR team are appealing for witnesses, call 101 (calls cost 15p) with any information.

A Big Thank You!

From The Friends of Townley School.

To all who helped and supported us at our Car Boot & Cream Tea's event.

Especially to all the kind villagers who donated so much for our stall and to all the staff & parents who helped on the day.

A very big thank you to you all

Maurice and Anne Allan, now of Tree Tops. Church Road, Christchurch.

Wish to thank the New Management and patrons of the Dun Cow Green Lane, who came to Maurice's assistance when he collapsed in the dining room on Saturday, whilst enjoying an evening meal. 19th May.

Our special thanks to Paul the first aider for his expertise and assistance whilst waiting for the ambulance to arrive.

Maurice has made a good recovery and is looking forward to his next meal at THE DUNNCOW.

Anne and Maurice Allan.

Well done everybody involved and great to hear Maurice has made a good recovery. ED.

Fast road too dangerous for 60mph limit' as Lotus lies in ditch

A LONG, straight road interrupted with sharp corners in Fenland is too dangerous to have a national speed limit, a resident has warned.

March Road in Tipps End has a 60mph limit but Steve Hawthorn, who lives in the road, has called for it to be slashed after seeing a sports car come off the road into a ditch.

On Thursday 3rd May just after 6.30pm a Lotus Elise ended up in a dyke at the side of the B1100 as Mr Hawthorn was walking his dog. The driver is believed to be unhurt but Mr Hawthorn thinks next time it could be worse.

"It almost seems to be an ego thing for people to get from corner to corner as fast as possible but there are some very tight bends," said Mr Hawthorn, a musician.

"It's a 60 at the moment and people don't often stick to that. I'm amazed at how fast people drive along that road - they overtake you if you drive at a reasonable speed."

Steve Hawthorn who is calling for lower speed limits outside his home after a car left the road in Tipps End.

The Lotus which left the road in Tipps End.

Mr Hawthorn and his wife, Marion, moved up from London last year to renovate an old coach house in the road.

He said the speed limit on the road should be cut to 30mph and an electric sign showing people their speed should be installed.

"The traffic just needs to calm down - it's a very uneven road as well," he added.

The Lotus was travelling towards March. Mr Hawthorn said he always crossed the road when approaching the corners as he knew cars would not see him if they came round the bend quickly.

"Had I been on the other side, or the car on the wrong side of the road, it could have been very nasty," he said.

MP Steve Barclay picks up road safety award from Brake and Direct Line for Fen campaigns

NORTH East Cambs MP Steve Barclay has been awarded a Road Safety Parliamentarian of the Month Award.

He's been given it by national charity Brake and Direct Line for his successful campaign to reactivate a speed camera and install signs to prevent further casualties on a stretch of the A47.

"Steve has also secured progress on a second campaign to install a barrier between a waterway and stretch of road in his constituency where a young girl was killed," said a Brake spokesman.

He said in April 2011, after nine crashes in three years and five deaths in six years, the MP launched a campaign with local residents and Councillor John Fish calling for a speed camera to be reactivated and warning signs installed.

"The Highways Agency agreed to install the signs, but said the £30,000 cost would have to be met by the parish council because the number of crashes on the road did not meet their stipulated level. "At this point they declined to switch the speed camera back on.

Steve then wrote to road safety minister Mike Penning MP to say how disappointed he was that the Highways Agency had not agreed to pay for the signs or reactive the camera.

The MP was also praised by Brake for getting road safety minister Mike Penning to visit the waterway adjacent to Bedlam Bridge near to where 9 year old Charlotte Walker was tragically killed.

Mr Barclay said he was "honoured" to receive the award and said it was pleasing to see the community working together to have a minister act on their concerns.

A busy month preparing for our Annual Plant Sale. The weather was a drawback, people weren't in good health, seedlings/plants wouldn't grow but we soldiered on and the Plant Sale was arranged and set up after a few hasty changes. A very big thank you to Richard who held the Sale in his hall under cover. Despite a chilly day and a quiet stream of customers a profit was achieved. There is a raffle prize waiting for ticket no. 296, please contact 01354 638024.

Club Night was three days later. We were given an exceptional talk on 'Wildlife in Gardens'. Our speaker was Mary Larham and Alan assisted as Mary showed us indepth photography as how we can see creatures and recognise the difference in help and other aspects of plants and insects. A visit to the Manea School of Gardening will be arranged at a later date but there is a good opportunity to see the Nursery at Manea on 17th June when the School of Gardening will hold an Open Day - make a note in your diary!

Our Treasurer, Peggy, has been poorly this month, laid low with a virus, an unexpected nasty bout of illness, recovery has been slow but improvement is happening. Get well soon Peggy, many village folk are missing seeing you buzz around each day.

Our next Club meeting is on 26th June at 7 pm for 7.30 pm with Peter Carter, another interesting evening to look forward to. Come and see for yourself.

The next coach trip has been organised for Saturday, 30th June for a double event:

We visit Beckworth Emporium for the morning and after a leisurely look around and a very pleasant coffee/cake etc. then, no hustle or hurry, we go on to Coton Manor for optional lunch or your own picnic, then enjoy a pleasant afternoon at Coton Manor as seen on TV 2011 - a very relaxing garden and grounds to stroll around.

Cost is £15.00 O.A.P.s.; £17.00 Adults for Members

Visitors are welcome to join us on this coach trip

£18.00 O.A.P.s ; £20.00 Adults

No extra for entry to Coton Manor.

This promises to be a happy, relaxing day, it's time to shake off the doom and gloom - come out for a day of leisure with us.

Bubbles,

Brimstone Species

You may remember my article on Brimstone moths & butterflies in last November's issue. Unfortunately, with the topsy turvey spring we've had so far; with the early heat wave, and then all the recent rain we've had; there have so far been no sightings of the above that I am aware of and many pupae have been lost.

I have been in touch with the butterfly farm at Blenheim to see if they can help us out with supplying caterpillars and/or pupae, but as yet have no news on this. I will keep you all posted of any positive developments as soon as I, hopefully, hear some good news.

New Safety Barrier on Sixteen Foot Bank!

For anyone who hasn't recently travelled between Boots Bridge and the Chatteris end of the Sixteen Foot Bank, and may not be aware of it, I am delighted to share news that an impressive, brand new stretch of safety barrier has very recently been installed at Broad Alder Farm Bridge, Stonea, replacing an earlier installation that was in a poor state of repair. Area Traffic Manager, John Richards, has confirmed that this installation cost around £20,000, and was undertaken as a part of the now ongoing county-wide safety barrier maintenance and repair programme.

This programme was instigated as a direct result of concerns raised by our Campaign's independent safety barrier survey, undertaken locally, in May 2009.

Bedlam Bridge Safety Barrier Bid Update

Our joint funding bid for a further new safety barrier installation at Bedlam Bridge, was reviewed by the Fenland County Council Panel, consisting of 5 local County Councillors, supported by local Traffic Engineering Officers, along with other local scheme applications, on 27th April.

Alan Kinninmonth, hero of the May 2007 two-vehicle immersion accident in which he rescued two small children from the rear of a sinking vehicle, joined me to help present the case in support of our bid. The Panel members were highly complimentary about the technical quality and level of detail and fundraising aspects of the Campaign's bid.

We are hoping for definitive news of the Council's decision on whether they will be adopting the scheme, in the very near future.

Road Safety Campaigning Award for Fenland MP Steve Barclay

National Road Safety charity, 'BRAKE', and insurers Direct Line have named Steve Barclay, 'Road Safety Campaigning Parliamentarian of the month, for his successful work to have safety cameras reactivated at the fatal accident blackspot at Thorney Toll, and for his achievements in securing the UK's Roads Minister, Mike Penning's support for this measure and for this Campaign's bid for safety barriers to be installed at Bedlam Bridge, which the Roads Minister visited personally, in January 2011.

Campaign AGM

Our first 'AGM' since becoming a Registered Charity in November 2011, will be held at The Oliver Cromwell Hotel, March, 7.30pm, Tuesday 19th June. Anyone interested in attending, please let me know so that sufficient space and refreshments can be provided.

Contact and Support Details

Thanks, again, to all who have given support and donations to the Campaign so far. For more details of the Campaign phone 07505 726475, e-mail chappell@frsc.co.uk or visit the 'facebook' group site - 'The Fenland Road Safety Campaign (Charlotte's Way)'.

Correspondence

A letter of thanks from Liz Wright from the Donkey Sanctuary for the donation and sales made on the evening of her talk to us.

Various activities relating to the Jubilee were read out for information. Volunteers are required to help the WI at the East of England Show.

The NFWI will be celebrating its centenary in 2015. Information was read out regarding this and members' views were sought in filling in a Centenary Survey.

Resolutions

There was only one Resolution this year. The Government is urged to increase investment in the training and employment of midwives in England, Scotland and Wales. At the moment there is a shortfall of over 4,000 in England alone. Further information was given by Peggy, who had attended the Resolution meeting. It was passed unanimously.

The Demonstrator, Vicky Wellbourne had made a very large cupcake from a special mould, which she then showed members how to ice, along with many smaller cupcakes which members shared for refreshments. The large cupcake was put into the raffle, Margaret Sparrow being the lucky winner.

Susan Quail gave a very detailed and informative report from the recent Federation Spring Council Meeting, which seems to have been very enjoyable.

During the evening a board was sent around for those members wishing to attend the July Members' Night meeting which will be held at the home of Ann Hicks.

Next Month

8. Finance

The Clerk explained that the Council has until the June meeting to decide whether it remains a member of CPALC. The Council is already a member of Cambs ACRE and the Clerk belongs to SLCC so it needs to decide what benefits it will gain from spending a further £277.06. It was agreed to carry the decision forward until the next meeting. **Clerk to add to the agenda.**

The following items were agreed for payment

1. Clerk's Salary £183.78
2. Postage £4.32
3. HMRC £137.60
4. The Heron £60.00
Hire of Hall £42.00

One additional payment was sanctioned, that being a payment of £180.00 to the Council's solicitors for work done relating to notifying the County Council of their views on the covenants attached to the purchase and subsequent sale of land adjacent to the Recreation Ground.

9. Planning Applications

Application F/YR12/0168/F, erection of an onion storage building at The Limes Scott's Road, was reviewed and the application supported.

10. To consider any required work on the new hedge boundary at the Recreation Ground

A discussion was held on options and it was agreed that the Clerk should ask the Grass Cutting Contractor to remove some of the large weeds.

11. Diamond Jubilee celebration arrangements

The Clerk showed a sample of the mugs. It was agreed that the Clerk should order 108 and notify the School that there is still money in the budget should they wish to organise anything else.

12. Parish Council Web-Site

Matter dealt with under item 4.

13. Parish Plan – Update

Raising of Village Concerns

The following items were reported/discussed:

Concerns about brushwood piled close to a resident property that borders the Recreation Ground. Councillors Wes Poole and Russell to attend to.

Cllr. Beswick reported broken glass in one of the Play Parks most of which has been picked up but some small pieces are still struck in the ground. As it is in a small area it was agreed that the best solution would be to dig the affected area up and replace it with turf from the outside of the Recreation Ground. Cllr. Beswick agreed to do this.

Councillors, Russell, Wes Poole and Sutton agreed to try and remove the base of the old roundabout from the Recreation Ground.

The Clerk was asked to inform FDC's Planning Enforcement team about the poor state of a property along Euximoor Drove.

It was agreed that the Council should write to Mrs Mills the outgoing editor of the Heron to thank her for all the hard work she has put in to making the newsletter so popular.

FDC Cllr. Sutton said that County Councillor Yeulett has asked him to speak at the County Council's review of the Minor Highways submissions on the subject of one of the Parish Council's requests. Cllr. Sutton indicated he is happy to do this if the Parish Council is happy for him to do so. The Parish Council thanked him for the offer and agreed that it would be beneficial.

The Chair thanked all for attending and closed the meeting at 8:25pm
