

Christchurch Village Newsletter

March 2012

When Barbara Kingman, Les and myself 'resurrected The Heron in April 2003 I never expected it to grow from the six pages it was then to what it is today or that I would be able to tell those of you that have access to the Internet that, thanks to the kindness of Paul Warren of hcisolutions.co.uk and a resident of Tipps End, who has volunteered to set up a website for The Heron without any charge at all as he wanted to do something that would be of benefit to the village as from the March edition you will be able to read The Heron, contact us and generally enjoy the newsletter in that way. This will not affect you receiving the usual copy through your door as you do now but I think that it is great that you will now be able to let your friends know, wherever they may be in the world that they can read The Heron that way - and in colour too!! Our very grateful thanks to Paul who has said he will keep the website up to date each month for us. The website will also show some back issues of the newsletter so that if you want to refer back to something you will be able to do so. All you have to do is go to www.theheron.info to find us.

Don't forget that all articles you wish to appear in The Heron should be with me by the 28th of the month for inclusion in the following month's edition (if you can make it earlier this would be very helpful) If the 28th falls on a weekend I do try to get everything done on the 27th as I am no longer very mobile and have to rely on friends to take the newsletter into the printer for me. Please send all articles to: Pat Mills, Redbricks, Upwell Road, Christchurch, PE14 9PF Tel. 01354 638204. Email pat@millsread.plus.com. To place advertisements in the newsletter or for information regarding adverts please contact Mrs. Vanessa Murray, 1 Fen View, Christchurch. Telephone No. 01354 638272. Small personal adverts will cost 10p per word and any personal messages you would like to put in The Heron will be without charge - for any of these just contact me at Redbricks.

CHRISTCHURCH AUTHOR PRESS RELEASE

VANDARA

The true meaning of Stonehenge has, for centuries, baffled the finest minds.

But now, Cambridgeshire author George M Talbot gives away the secret in his latest book *Vandara*, which adults and children alike will find thoroughly readable.

This breathtaking and charming novel spans 3,000 years, yet is thoroughly plausible and entertaining from the very first page to the very last.

The story begins in the present day with the appearance of a horse. One look at it shows dowdy old Millicent that it's no ordinary animal, though, and her assessment is confirmed when it suddenly vanishes.

The horse puts in several appearances after that and on one occasion it saves her life.

Millicent is also visited several times by a warrior from ancient times. Who delivers a strange message that she has to complete the circle. On the final visit, he takes her back through time where she discovers her true and wonderful destiny as Queen Vandara.

It is a rare delight that a book can transport you away from real life and into a fantasy world. This is such a book.

Goblins and fairies are brought to a life in such a way that they become real, but not as your preconceived ideas might suggest.

George M Talbot is a multi-genre author and had work published in both magazines and newspapers before turning his hand to books. He is a prolific author having fully written thirteen previous books.

Vandara by George M Talbot is available at £9.99 from all good bookshops and internet retailers or directly from the publisher at <http://www.fast-print.net/bookshop/949/vandara>

CHRISTCHURCH PARISH LUNCH 2012

I'm sure everyone would like to join me in thanking the Parish Lunch Committee and all their willing helpers for yet another wonderful afternoon for us older folk - it seems to get better every year! The adults all work so hard to make it a day to remember - even those we don't see much of as they are so busy in the kitchen! I am sure we all appreciate how much effort goes into the day, both before and during the event. The youngsters are so polite and helpful and do their job in a very willing manner. The entertainment by Tom Kennedy was excellent and I am sure we all enjoyed the singalong!

CHRISTCHURCH CRAFT CLUB

At our February meeting we held a 'Bring and Make' session when members brought a good variety of crafts along, including the youngsters making animals from Plaster of Paris and also decorated themselves well at the same time! A good deal of chatting was done, refreshments enjoyed and a raffle held.

Well done to those members who were brave enough to venture out in such nasty weather.

The programme for 2012 will be handed out to members at our meeting on the 6th March when we will be making Easter Baskets with Sue Norman.

Why not come along and join us - everyone is welcome, no matter where your interest in craft lies. We try our hands at a variety of crafts and also hold 'bring and make' sessions whereby members bring their own projects in to share with us. Entrance is £1.00 plus 50p for raffle and 20p for refreshments. Please come and join us - you don't have to come to every meeting! Meetings are held on the first Tuesday in the month, starting at 7.30 pm in the Memorial Hall. For more information ring Wendy on 01354 638448.

The years of retirement are just fine most of the time, but ice and snow, frost and extreme cold, can make life feel very daunting, so it is a great blessing to have a path made, an entrance cleared, vital supplies ensured, when we cannot do these things for ourselves.

As neighbours have said, many of us owe thanks to Alvar for his kind help.

A.P.H.

First of all "Welcome back" to another meeting and here we are going into March 2012 so soon already. Our A.G.M. had a very good report from the Treasurer. Subscriptions will remain the same - NO INCREASE - which pleased the members.

We have managed to keep our Club meetings interesting, plus our trips out, joined by non-members who come for a day out with us, always enjoyed.

We, as a Club, would like to say a very big "Thank You" to Wesley Poole (the hall owner). It is his generosity which allows the village an opportunity to have a meeting place each week or month for a Club meeting and being together for the various pleasures enjoyed.

The Garden Club formed the 2012 year Committee. Our Secretary handed the new programme out and The Heron always has details for future Club meetings each month.

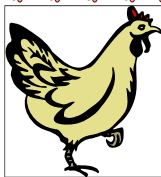

NOTE: OUR FIRST COACH TRIP IS ON 22ND APRIL.

We continued our February meeting with an informative talk and slide show on 'Alpines' at their best from a popular venue each Spring at Harlow. More information available from Bubbles on 01354 638024.

Our next Club night is Tuesday, 27th March and our very popular speaker is Barry Gayton from Radio Norfolk. Do come for a visit - he is really good, hope to see you - no pressure!

The speaker for the evening was Liz Wright from The Donkey Sanctuary. It was founded in 1969 by Dr. Svenson. Based in Sidmouth. It started as a small concern but grew dramatically in 1973 when as a result of a legacy, Dr. Svenson acquired an extra 204 donkeys. It has now become a very large charity with five farms in England and branches across the world. Since 1969 the charity has looked after fourteen and a half thousand donkeys. There are currently 5,000 donkeys in Britain and several thousand across Europe being cared for in sanctuaries. Donkeys originated in Africa and are used to hot, dry conditions and sparse food. The main problems that are dealt with are bad feet from wet conditions and dietary problems caused by over-feeding. After a very informative talk Liz was presented with a donation for the sanctuary.

**MINUTES OF THE CHRISTCHURCH PARISH COUNCIL MEETING
MONDAY 9TH JANUARY 2012 - MEMORIAL HALL CHRISTCHURCH AT 7.30PM**

Present: Councillors – Jill Bliss (Chair), Simon Freeland, Hannah Poole, William Beswick and Will Sutton (FDC).

Stephen Cowell (Clerk) was also in attendance.

1. Welcome and Apologies

Due to the absence of both the Chair and Vice-Chair Cllr. Bliss was elected from the remaining councillors to act as Chair for the meeting.

Cllr. Bliss welcomed all to the meeting.

Apologies were received and accepted from Cllr. Russell, Cllr. Wes Poole, Cllr. Wincote, Cllr Cotterell MBE (FDC), Cllr. Yeulett (CCC) and PCSO Martin Bogunovic.

2. Signing of Minutes

The minutes of the 12th December meeting were signed, by the Chair, as true record of the meeting.

3. Disclosure and Declarations of Interests

Cllr. Bliss declared an interest in payment 8.3.

4. Update on action points from previous meeting

The Clerk reported that:

- The first item in section 4 should read District Council and not County Council.
- The numbering of houses in Church Road and Upwell Road will go ahead. The issue regarding the numbering of houses in the area of The Hill was discussed. The Clerk reported that if residents required numbers on their houses they would need to pay for that themselves. Councillors were asked to consider the issue of numbering the houses in Upwell Road/The Hill for discussion again at the next meeting.
- Peter Vale, Cambridgeshire Highways, has requested to address the Council regarding the proposed Speed Limit reduction and this has been arranged for the February meeting. **The Clerk was asked to discuss the use of deterrents to reduce speeding with the Highways Department and the Police.**
- The replacement of the street lights is planned for late 2012/early 2013.
- Cambridgeshire Highways report that widening of the pavement near the Bus Stop is not in their plans. They also report that in order to do so they would need to remove some of the grass verge opposite to the area and to tarmac it to make the road wide enough – further discussion on this issue took place within item 10.
- The water leak at the Pavilion is being monitored by Cllr. Sutton who will report on progress in due course. Cllr. Sutton reported that the football teams are switching water off as they leave to reduce the loss.
- Moving of the May meeting date is still being considered – the 7th May looks the best option but **the Clerk needs to check other potential meetings he has prior to confirming he can attend on that evening.**

5. Public Adjournment

No items were raised as no members of the public attended.

6. Police Update

The Clerk reported that PCSO Bogunovic has sent his apologies.

The report he has sent the Council has just one reported issue an attempted break in at a property in Church Road but nothing was stolen.

7. Correspondence Received

The Clerk brought to the attention of Councillors:

**MINUTES OF THE CHRISTCHURCH PARISH COUNCIL MEETING
MONDAY 9TH JANUARY 2012 - MEMORIAL HALL CHRISTCHURCH AT 7.30PM**

- A request for the Parish Plan to be placed on the Shape Your Place web-site for information to residents and as an example for other communities. **It was agreed that it could be put on the site and that the Action Plan could also go on the site.**
- FDC have indicated that the Election Costs for the 2011 Election should be in the region of £140 and that they will confirm exact costs in due course.
- FDC have confirmed the Diamond Jubilee funding process from FDC. It was agreed to place this item on the next agenda.
- The NHS Communities newsletter has been received. Cllr. Bliss took it to read and will bring it back to the Councillor at the February meeting.

1. Finance

It was proposed, seconded and agreed to accept the Clerk's recommendation, as circulated prior to the December meeting, for the Concurrent Functions Claim to FDC. **Clerk to return the claim to FDC.**
It was proposed, seconded and agreed that the Clerk should become a member of the Society of Local Council Clerks.

The following items were agreed for payment

1. Clerk's Salary £183.58
2. HMR&C £137.80 (3 months PAYE on Clerk's Salary)
3. The Heron £60.00
4. Cemetery Maintenance £117.50
5. Membership fee for Society of Local Council Clerks £77.00

Additionally a payment of £42.00 for the hire of the hall for Council meetings (Oct-Dec) was authorised.

2. Planning Applications

Planning application F/YR11/0974/F was considered. The Council supported the application providing it was as the plans indicate and not a two storey extension as the notice indicated. **Clerk to check with FDC.**

3. To agree the Joint Minor Highways Improvement Bid for year 2012/13

The Clerk reported that the footpath widening scheme is not in the Highways Departments plans.

It was agreed to submit both the plan for improvements to the Church Road/The Croft junction and the footpath widening near the Old Shop site.

The Clerk reported that Highways department have indicated that if the footpath is to be widened then some of the opposite verge will need to become road. **It was suggested that Councillors should view the site to consider the impact of this.**

4. Parish Emergency Plan

No updates received by the Clerk.

5. Parish Council Web-Site

Carried forward. No Councillors have looked at the sites of nearby Councils to give a view on what type of site they require.

3. Following a discussion it was agreed to allow the senior football team to play at the Recreation Ground on a match by match basis, providing the pitch surface is not adversely affected, at a cost of £30 per match.

Consultation on Speed Limit reduction in parts of Christchurch

After discussions with Cambridgeshire Highways Department, most recently at the Feb Parish Council meeting, and after considering the views of residents over the years the Parish Council intend to seek a reduction in the speed limit along Church Road from 40mph to 30mph and a similar reduction to 30mph for that part of Upwell Road that is currently 40mph with the potential of a slight extension on Upwell Road so that the speed limitation starts just prior to the Recreation Ground.

The consultation with local organisations such as the ambulance service etc will commence soon however we would welcome any views from the residents of Christchurch on this proposal. Please send any comments you wish to make to the Clerk either by e-mail at christchurchcambspc@googlemail.com or by letter to 34, County Road, March, Cambs, PE15 8ND. There will also be the opportunity for you to discuss these proposals with Parish Councillors during the Public Adjournment at Parish Council meetings.
