May 2012

Welcome to the May edition of The Heron, our first 'start to finish' edition since taking over from Pat and hopefully we have not forgotten anything this time! So without further ado we send our apologies to the staff and pupils of Townley School for missing out your page last month.

With our 100 lines of 'we must not forget the school page again' completed, we have continued with some subtle changes. This month sees the addition of a crossword and an dedicated email address for advertisement request/queries. Please use the following email address for any advertisement enquiries; adverts@theheron.info. We are also looking for any news you feel should be shared with the community, if you do have any news or maybe a nice story, please send it through to us at editor@theheron.info or by mail/hand to; The Hollies, March Road, Tipps End. **Please remember, we need to have your stories and advertisement request with us by the 28th of the month.**

We would have loved to have met a number of you at Pats surprise party but circumstances surrounding our over running home renovations resulted in the builders working till late into the evening to catch up. We are sure there will be plenty of other opportunities throughout the year to get to meet some of you.

Paul & Mandi

It has been brought to our attention by a local resident that 3 planning applications have been made to erect wind turbines in close proximity to our area, namely, on land between Padgetts Road and Manea.

The planning applications for these are F/YR12/0260/F, F/YR12/0261/F and F/YR12/0204/F and can be viewed on the Fenland District Council website by going to <http://www.fenland.gov.uk/publicaccess> and click on the agree to terms at the bottom of the page and then enter the planning numbers as reference on the next page.

If you feel you would like to comment or oppose the planning application you should do so in writing either to Planning Fenland District Council, Fenland Hall, County Rd, March. PE15 8NQ, or by email to planning@fenland.gov.uk **By either means, letters should be received by 9th May 2012.**

Please also bear in mind that all comments will be made public (i.e. to the applicant/public/press) including the identity of the sender.

Anyone wishing to send in comment but is unsure how to go about it or has no access to the internet to view the details of the planning application can contact us and we will be happy to assist you with information, or provide a standard letter format for you to lodge your opposition should you wish to do so.

A surprise 'Thank You' for the retiring editor of The Heron

On Friday 20th April, the village community hosted a surprise party for Pat Mills who is retiring as editor of The Heron. Over 40 parishioners, together with Mac Cotterell, Will Sutton, Fenland District Councillors; Nigel Russell and Jill Bliss, Christchurch Parish Councillors and Mrs. Barbara Kingman, former Parish Clerk who was a co-editor with Pat and Les when they first took over The Heron. A wonderful finger buffet was provided by some of the ladies of the village.

Mac Cotterell presented Pat with a bouquet of flowers and a garden voucher from the Parish Council and a gift of money which had been donated by the villagers

On the night Pat expressed her thanks to everyone for the wonderful surprise party and for the very kind gifts.

Pat would also like to say the following...

I would like to thank everyone for the super surprise party given for me on Friday, 20th April. I really was taken aback to see so many faces waiting to greet me in the Memorial Hall, some of whom I had not seen for quite a while.

I did enjoy my evening although felt that I really did not need thanking for doing a job which I had thoroughly enjoyed over the years and which I hope to be helping with for a while to come (you can't get rid of me that easily!)

The flowers and the gift with which I was presented were wonderful, and the food which had been so carefully prepared and presented extremely tasty, such a lot of preparation had obviously gone into that.

I still think that there are a few folks in Christchurch who can tell a 'porky pie' or two with a very straight face but I love you all and still reckon that Christchurch is the best village in the world!

My love and thanks

Pat

Going Batty in the Village

With our current penchant for wildlife topics, I thought I'd share my latest "encounter" with you all. On the morning of Sunday 11th March, I was out in the garden when I heard a strange squeaking sound and saw one of the cats showing an interest. As I got closer I saw the animal making the noise was a bat! Knowing a little about what to do, I got Vanessa to get me a pair of gloves – as they do have rather sharp teeth – and kept the cat from getting too close. The kids found me a shoebox to put it in and then we looked for what to do next. RSPCA and local vet were unfortunately not a lot of help. Hoorah for the Internet! The Bat Conservation Trust (www.bats.org.uk) have a great set of links with what to do if you find one, identification help and "Bats and the Law".

I had to keep hold of the bat for about 24 hours before I could pass it on to a local specialist so Vanessa was sent to get me some mealworms. They sell them live in pet shops or dried from garden centres. If you feed them dry, then it's best to soak them in a little warm water first. We fed the bat using tweezers.

I handed it over to a local "bat rehabilitator" on the Monday morning and he was going to let me know how the bat was doing and whether it'd healthy enough to be released in a few days. It fed quite voraciously so we're hoping it was just tired. The bat was identified as a young female Pipistrelle, one of 17 species of bat which breed in the UK. We often see them flitting around the garden in summer evenings so it was nice to see one up close.

I got a phone call on the Wednesday that the bat was fit and healthy and in a suitable state to be released, so I collected her on the Friday lunchtime and successfully released her in the garden at dusk – much to the children's delight.

Basically – contain it, keep it somewhere warm, put a tea-towel in a corner of the box for it to crawl into, a shallow small dish of water in there as dehydration can be a problem and phone the Bat Trust helpline on 0845 1300 228 and listen to the automatic menu. It should now be manned 24/7 as we are into the main season.

Andy Murray.

Do you have a story like Andy's and would like it to feature in The Heron ?

If so, you can either email it to us at editor@theheron.info or in writing to The Hollies, March Road, Tipps End, Wisbech, Cambs. PE14 9SH

CHRISTCHURCH CRAFT CLUB

On the 3rd April Margaret Sparrow demonstrated Encaustic Art. We had three sets of equipment to work with and everyone had the chance of making more than one attempt and these were then turned into cards. We would like to thank Margaret for a very enjoyable evening. Among our raffle prizes for the evening we were lucky enough to have a super Easter Egg.

There will be no meeting in May due to unforeseen circumstances.

Why not come along and join us - everyone is welcome, no matter where your interest in craft lies. We try our hands at a variety of crafts and also hold 'bring and make' sessions whereby members bring their own projects in to share with us. Entrance is £1.00 plus 50p for raffle and 20p for refreshments. Please come and join us - you don't have to come to every meeting! Meetings are held on the first Tuesday in the month, starting at 7.30 pm in the Memorial Hall. For more information ring Wendy on 01354 638448.

Christchurch Short Mat Bowls Club

Christchurch Short Mat Bowls Club ended their Paget League Season by finishing equal third, which is a very encouraging position, WELL DONE TO EVERYONE!

A presentation day was held at Emneth Village Hall where Walpole Highway was presented with the League Winners Shield.

Over 50 players from the League played in a triples competition during the day, with 2 Christchurch players, Irene Horner and John Sparrow reaching the semi finals. A very successful day and raising money for charity.

In recent weeks we have welcomed four new players to the Club. If you are interested in coming along for a taster we meet at the Memorial Hall on Mondays 2 pm - 4 pm and Thursday evenings 7 pm - 9 pm. Cost £1.50.

Year 2 SATs - During May

Well! we did it again, another successful; Coach Trip.
The weather was kind,

A scenic journey going to Hyde Hall. Plenty to see,
observe good ideas for dry garden's techniques and, of course, a very interesting Plant Fair
(aren't they always?).

Just two very small showers of light rain and a happy coach party enjoyed a different
scenic drive home. Everybody smiling after a good day out.

Our next pleasurable time together was for the Club meeting. It was a talk by
Mr. Dunham on Bees, who is also a very keen gardener and enjoys his prize winning
Pelargonium's amongst other plants which can be seen at Emneth Village Hall, July and
August time. Well worth going to see, take a camera, it's really worth it. But it was an
evening of BEES and how changes are taking place, an insight into the life of these
wonderfully clever creatures. Our speaker certainly knew his subject, enjoyed by all who
came!

NOW! It's time to make a note for 19th May, it's the next project for Club members
and visitors - our "ANNUAL PLANT SALE", always a good day. To be held at Bubbles and
Frank's patch, Church Road, Christchurch - look for the balloons and, of course, the
bunting. Come and enjoy the banter of the enthusiasts, walk around the garden and see
how it just 'grew and grew', Topsy style.

The Club meeting after our Plant Sale will be on Tuesday, 22nd May. We are
looking forward to 'Wildlife in Gardens'
Can we tempt you to come for a visit?
Go on give it a go! 7.00 pm for 7.30 pm.
, always a chat with other members first.

Dog Fouling

Unfortunately there has been an increase in dog fouling along Church Road and only last month a young mother had the need to have to clean her children, and their clothes, after they slipped and fell in it. Allowing dogs to foul footpaths is an offence and it has been reported to Fenland District Council. Please be considerate and clear up after your pets. The Council thanks all the responsible owners who already do this.
