

Christchurch Village Newsletter

September 2012

It is with the deepest regret we have to deliver the news that Pat Mills, Editor and Chairperson of The Heron for many years, sadly passed away at home on 11th August 2012, after a stay in hospital.

Her funeral service is to be held at Christchurch Parish Church 3rd September 2012 at 1pm.

Due to her passing this month, the team of The Heron called an emergency meeting to discuss the immediate needs of the newsletter. This meeting was held on Friday 17th August, where Editor Paul Warren was proposed by Jill Bliss (treasurer) to take the chair.

It was also proposed and seconded that Sandra Kay be a new bank signatory (to replace Pat Mills as third signatory) and for the immediate future she would receive delivery from the printer of the monthly publication.

Paul and Mandi are to continue as co editors, and as of October Mandi will take over the responsibilities of advert invoicing on behalf of Vanessa Murray (secretary) Jill Bliss to remain treasurer.

It was also proposed that the October edition of The Heron should be dedicated to Pat as a tribute, to not only her amazing hard work over the many years, but also her husband Les who had worked on creating The Heron for many of its early years. We would therefore ask that if anyone would like to send in words of remembrance or thanks we will be happy to publish them in next months edition of The Heron as a tribute and reminder to everyone what an amazing lady she was and how much this newsletter meant to her.

We only hope we can continue it for many years to come in honour of her dedication.

If anyone who receives the newsletter would like to take an active role in its production, we would very much like to hear from you, e mail editor@theheron.info and we will give you information on any future meetings being held for you to maybe come along and join us and tell us what you feel you could bring to the team, and as always any suggestions or feedback you have please also let us know.

Help to bring better broadband to your area

Access to the internet is becoming part of everyday life – whether you use it for working from home, keeping in touch, job-hunting, online shopping, paying bills, downloading entertainment, or interactive learning. But many people are frustrated by low speeds and poor connections, particularly in more rural parts of the county.

You can help to bring better broadband access to your area by supporting the Connecting Cambridgeshire campaign.

Your local councils are working with partners in business, health and education to provide access to superfast broadband to at least 90% of homes and businesses across Cambridgeshire and Peterborough and better broadband connections for all other premises by 2015.

We need all our residents and businesses to show suppliers where there is demand for better broadband to attract substantial investment, which will help us to fill in the gaps.

Register to get Cambridgeshire connected using the online form at www.connectingcambridgeshire.co.uk, or fill in a Freepost reply form in the leaflet at your local library or council office.

It only takes a minute – all we need is your postcode and a landline phone number (these details will only be used to support the campaign). The more registrations we get, the more likely we are to succeed.

Please encourage your friends, family and neighbours to register, so that more people can benefit from better broadband access.

Could you be a Digital Champion for your area – helping to promote the campaign and encouraging more people to register?

If so, please email your contact details to contact@connectingcambridgeshire.co.uk

Christchurch Garden Club Summer Buffet

Our meeting for August was as usual very good. Members arriving, coming through the door with a big smile, carrying the food to go onto the table for all to enjoy, and enjoy they did!

A very inviting spread, AND you should have seen the desserts which followed, a big thank you to those who came earlier to prepare the hall for our Summer Buffet.

ALL members were pleased to see each other, chat and just have a good evening. We were missing a few faces (8 in fact, all were enquired about and missed.) See you soon. We also had the pleasure and company of 2 new visitors who are joining the Garden Club, they joined us for our feast, soon quite at home with the banter and laughter which is always among us.

**** Please note, November 29th evening trip has been cancelled ****

But we have arranged a Day-Trip, it is on December 16th to SCOTSDALES for a cheery Happy Christmas shopping spree. It's a popular place, lots to explore, and of course it will be beautifully decked with Christmas displays.

Bushes and plants overgrowing paths

The Council would like homeowners to consider those who use footpaths, especially those with prams or who use wheelchairs, and ensure that hedges, bushes and shrubs are cut back so that people can pass on footpaths unimpeded.

5. Update on the Councillor's Code of Conduct

The Clerk updated the members on the required changes needed as a result of the Localism Act. Copies of a proposed Code of Conduct have been given to all members with a view to formally adopting it at the meeting in August. Details of the new arrangements for Pecuniary Interests were also explained and forms were asked to be returned at the next meeting.

Cllr. Yeulett informed members that he is to Chair the new committee to oversee conduct of members and informed the Council that FDC have set up some training sessions on 12th and 24th July.

6. Public Adjournment

The report he has sent the Council includes five issues, three thefts, one of Anti Social Behaviour and one of suspicious door to door selling.

8. Correspondence Received

The Clerk brought to the attention of Councillors:

- Townley School request for donation – Cllr. Russell said he will be giving the School a personal donation. It was agreed by the Council that personal donations rather than ones from the Council would be more appropriate.
- The setting up of a Rural CAB
- FDC's request for local Emergency Contacts. It was agreed these should be the Clerk and Cllr. Russell.
- FDC have responded to the two queries relating to change of use for properties in Euximoor Drove where businesses have been set up and confirm all is in order.
- FDC have inspected the untidy property along Euximoor Drove and report that they have come to an agreement for a phased tidy up.
- Quotes have been obtained for Jubilee Children's benches at the School to be paid for with the remaining Jubilee grant money. The Chair and Clerk will liaise with the School regarding their purchase.

Continued...

9. Finance

The Clerk reported total bank balances of £56,068.79, with cheques written amounting to £2,447.96 to come from this, and brought to Councillor's attention the earmarked funds (funds that must be spent on specific purposes) that total a little over £33k.

The following items, listed on the agenda, were agreed for payment

9.1 Clerk's Salary £183.78

9.2 HMR&C £137.60 (3 month's PAYE on Clerk's salary)

9.3 The Heron £65.00

9.4 SLCC £48.00 (Clerk's training)

9.5 Morton and Hall Consulting Ltd £585.00 (drawing requested by Highways Department)

9.6 FDC £140.00 (May 2011 Election costs)

9.7 E Mason & Son £1,020.00 (Grass cutting March – May)

9.8 SLCC £20.00 (Clerk's exam fee)

There was some concern shown at the size of the Morton & Halls invoice however it was agreed to pay it and the Clerk was asked to report back to the Council at the next meeting regarding the actual work undertaken.

10. General Power of Competence

The Clerk explained the concept of the Power, that he had completed the recommended training and that he will be submitting an exam paper for marking. Once he has passed this element of the CiLCA qualification the Council will be able to pass a resolution to use the power.

11. Planning Applications

There were no applications to review.

12. Update on the Speed Limit Reduction

The Clerk reported that he has met with Cambs Highways and they are preparing the required Order. Costs of advertising will be shared between several councils. Details of companies who can provide the signs and erect them have been obtained and quotes will be requested.

13. Parish Plan – Update

Nothing to report.

14. Raising of Village Concerns

The following items were reported/discussed:

- Blocked drains along Church Road
- Overgrown bushes and brambles encroaching onto pavements
- Dog Fouling near to the Church Road/Padgett's Road junction
- Issues with items obstructing the view of motorists at the Scott's Drove/Padgett's Road junction.
- Sewage Lorries breaking up the surface of Green Lane at the Padgett's Road end
- The amount of weeds in the landscaped area at the bottom of the Recreation Ground
- Overgrown garden in the unoccupied property adjacent to Cobwebs and opposite the pub.

Cllr. Russell appraised the Council of discussions he has had with the Drainage Board and an Estate Agent regarding the plots that the Council has planning consent on. It was agreed that the Clerk should complete the Drainage Board forms requesting permission to pipe and fill in the dyke near to the plots and that Cllr. Russell should instruct the estate agent to place the plots on the market.

The Chair closed the meeting at 8:45pm
